President's Report 2026

We began the year with our second Congress which was a huge success, with much positive feedback received. Thanks to Phil Young, Greg Critchley and Elissa Cohen whose input and hard work was much appreciated.
As a result, it has been decided to make the Congress a two day event, including Swiss pairs and teams.

The committee has met a few times this year, and work has been done towards improving and updating the structure of the club, in particular looking at innovative ways of doing things.

To all the members of the Committee, thank you for your input, support and thoughtful suggestions on how to make our club the best it can be.

David Mackenzie
Your advice over many issues has been much appreciated as well as the time you have spent keeping stock of our bridge supplies, and packing up at the end of each session.

Murray Linfoot.
Thank you for the time you have spent writing up the minutes and recording them after each committee meeting. Also your opinions and advice over many issues has been most welcome.

Paul Higginbottom
Thank you for keeping our club in financial order, which we now see in a strong financial position.

Barry Ballard
Our website has had some significant changes for the better. Up to date information, easier access and more user friendly, thanks to Barry for his innovative ideas.

Judy Tolson
Thank you for organising our inter club events, including catering for those that took place at the MCG. All were events were most enjoyable and received much positive feedback.
We look forward to our final event being Christmas lunch.

Petille Von Bibra
With an influx of new members this year, you have had your work cut out for you.Thanks to you our new members are well informed and welcomed.
It is wonderful to see our table numbers have increased a lot this year.
Your input and advice has also been much appreciated.

Lastly I would like to thank those volunteers who regularly help with setting up each Thursday, and those who have provided delicious homemade cakes and biscuits on a weekly basis.

I am looking forward to what 2027 brings
